

14 December 2017

**Thruvision Group plc**

("Thruvision" or "the Company")

**Appointment of Finance Director**

Thruvision (AIM: THRU), the specialist provider of people-screening technology to the global security market, is pleased to announce the appointment of Ian Alexander Robertson Lindsay (38) as Finance Director and as a member of the Company's Board of Directors with effect from 1 March 2018.

Ian is a member of the Chartered Institute of Management Accountants and joins Thruvision from BT Openreach where he was Senior Head of Finance. Ian has significant experience in senior finance roles in the technology sector not only with BT Openreach but also Virgin Media and Vodafone.

**Commenting on the forthcoming appointment, Thruvision Executive Chairman Tom Black said:**

*"I am delighted to announce the appointment of Ian Lindsay to the Board of Thruvision Group plc where I am sure he will become a valued member of the senior team. Ian brings with him significant financial and commercial experience in major technology organisations, which provides an excellent fit with the existing Thruvision team."*

*On behalf of the Board and the Company, I look forward to welcoming Ian at this exciting stage in our development."*

**Additional disclosures**

Save as disclosed above and detailed below, there is nothing further to disclose in relation to the appointment of Ian Lindsay under Schedule Two, Paragraph (g) of AIM Rules for Companies.

As at the date of this announcement, Mr. Lindsay does not have any beneficial interest in the ordinary shares of the Company.

**About Thruvision**

Thruvision Group plc is a specialist provider of people-screening technology that can safely see weapons, explosives and contraband hidden in peoples' clothing. Developed with extensive support from the British and US Governments, Thruvision technology is operationally proven and is being used to enhance the security of transport hubs, borders, high profile buildings and public areas.
