**Thruvision Group plc**  
**(“Thruvision” or the “Group”)**

**Sharesave option grant to Executive Director**

Thruvision (AIM:THRU), the leading provider of “safe distance” people-screening technology to the international security market announces a grant of share options under the Thruvision Sharesave Scheme (the “Scheme”).

Earlier today the Remuneration Committee of the Group granted, under the rules of the Scheme, an option over 64,285 Ordinary 1p shares with an exercise price of 22.4 pence per share to Colin Evans (Chief Executive).

The exercise price, set on 30 December 2021, is calculated on the basis of 80% of the closing middle market price of Thruvision shares on 29 December 2021. The option may be exercised between 1 March 2025 and 31 August 2025, assuming the conditions of the Scheme are met.

Immediately prior to this grant, Colin Evans had 90,000 options under the scheme which have vested but have yet to be exercised at an option price of 20p.

**About Thruvision**

Addressing the urgent need for “safe distance” people security screening in the COVID era, Thruvision is uniquely capable of detecting metallic and non-metallic items including weapons, explosives and contraband items that are hidden under clothing, at distances between 3 and 10m. Using patented passive terahertz technology, Thruvision completely removes the need for physical “pat-downs” and has been vetted and approved by the US Transportation Security Administration for surface transportation. Operationally deployed in 20 countries around the world, Thruvision is used for aviation security, retail supply chain loss prevention, customs and border control, and public area security. The company has offices near Oxford, and Washington DC.
