**About Thruvision** ([www.thruvision.com](http://www.thruvision.com))

Thruvision is the leading developer, manufacturer and supplier of walk-through security technology. Its technology is deployed in more than 20 countries around the world by government and commercial organisations in a wide range of security situations, where large numbers of people need to be screened quickly, safely and efficiently. Thruvision’s patented technology is uniquely capable of detecting concealed objects in real time using an advanced AI-based detection algorithm. The Group’s offices are near Oxford and Washington DC.
